Specification

Physical	
Weight	1600g
Dimension	170*170*75mm
Protection	IP66
Installation	Magnetic fixed or mounted fixed
Interface	
Power interface	IP68 cable 2 pins
VGA interface	IP68 cable 6 pins
Switch	IP68 self-lock switch
IR cable	Remote control by IR
Wifi	App on phones can view remotely
Power	
External power	12V
Battery power	12V
Battery time	Continuous working 6 hours
Camera	
Camera Number	4
Sensor	1/1.9" CMOS Image Sensor
Resolution	1920*1080
Pitch	3.75um*3.75um
Lens resolution	3MP 6G
White balance	Auto
Gain	Auto/manual
Noise ration	> 45dB
Dynamic range	76dB
Illuminaiton	0.001Lux color image
Others	Digital wide dynamic, 3D noise lowering, slow shutter
